

## 2017 Youth Farm Stand Membership Contract Part I

**DELIVERY OPTION** is for participants in a group of 10 or more at one location. This contract is to outline the expectations between farm stand members and Greater Newark Conservancy’s Youth Farm Stand CSA (Community Supported Agriculture) program. This agreement is for those **picking up at one of our delivery sites**. Please complete Part 2 of the contract and pay the membership fee to register.

I, \_\_\_\_\_ (name), understand that:

- **The Farm Stand Membership season is June 14 – November 17, every other week, for a total of 12 bags of produce.**
- I am signing up for:
  - A personal share totaling \$235\*** (enough to supplement meals for up to 2 people)
  - A family share totaling \$385\*** (enough to supplement meals for up to 4 people)
- I am responsible for picking up my produce at the designated delivery site. Once it is dropped off at the delivery site, it is your responsibility.
- Produce will be freshest on Thursday because it will be harvested on that day.
- There are no refunds or membership cancellations, but I can share with or sell to a friend.
- The produce bag will vary in weight, size, number, and type of fruits/vegetables throughout the season.
- If I fail to pick-up my produce from my selected delivery site, the Youth Farm Stand *will donate* the produce to a local food pantry, soup kitchen, shelter or will compost, if necessary.
- There will be a designated delivery site point person or persons, who will notify the group when the bags have arrived.
- I must purchase Conservancy insulated bags, in which case, I must bring back a bag(s) to each pickup. Otherwise, produce will be packed in repurposed plastic, paper, or biodegradable bags.
- By signing this, I agree to participate in customer feedback surveys during and after the membership season.

*\*Unless you have previously purchased insulated bags from us, the membership includes a \$10 reusable bag fee.*

**The deadline to sign-up for full season share (personal or family) membership is May 26, 2017.**

## Membership 2017 Produce Choice Checklist

Member name: \_\_\_\_\_

Over the course of our CSA program we have a variety of different fruits and vegetables that we harvest from our farms or source from local farms, and we are interested to know which fruits and vegetables are your favorites. Please check off some of your favorite produce items below, so that we can keep them in mind when we have extra produce. *Please note: while we are striving to offer more produce that you love each year, our selection of fruits and veggies is always dependent on weather and harvesting conditions. **This does not guarantee you will receive the produce listed below at any given time, as these produce options are ONLY available for limited times during the season.***
